
BECOMING eSIGN® CERTIFIED

As a Closing Agent, we recommend that you become eSign® certified. There are two levels of certification available: Gold and Platinum. If you would like to be nominated for certification, ask your AmTrust-affiliated loan originator to contact their local AmTrust Product & Technology Consultant. The criteria for each level of certification are outlined below:

GOLD CERTIFICATION- **THE CLOSING AGENT MUST CREATE A GREAT CUSTOMER EXPERIENCE BY...**

- Understanding how to close eSign® loans faster than ink-signed paper loans.
- Utilizing up-to-date hardware and software.
- Maintaining an adequate broadband Internet connection.
- Establishing a private eClosing room with a computer and an Internet connection.
- Completing an adequate number of eSign® closings prior to certification.

PLATINUM CERTIFICATION- **THE CLOSING AGENT MUST MEET ALL OF THE CRITERIA FOR GOLD CERTIFICATION AND MUST ALSO PROVIDE A REMOTE CLOSING CAPABILITY**
